SUMMARY:

Motivated and detail-oriented front-end developer with a passion for creating user-friendly, visually appealing web applications. Proficient in HTML, CSS, and JavaScript, with a solid understanding of responsive design principles and modern frameworks such as React and Bootstrap. Eager to apply skills in a collaborative environment

EDUCATION :

T. N .Rao College

| BCA | 2022-2025

Saurashtra University , Rajkot

M K Science School

12th Science

Talaja , Bhavnagar , Gujarat

SKILLS :

- HTML5
- CSS3
- JAVASCRIPT
- JQUERY(Basic)
- Bootstrap5
- Responsive Web design

PROJECTS :

Collage project :

- Created E-commerce shopping site. | october, 2025
- Developed a fully functional e-commerce website as a college project, utilizing Bootstrap for responsive design. The site features a secure login system, shopping cart functionality, and order management. Users can easily browse products, add items to their cart, and place orders while entering and saving their personal information and addresses in a MySQL database.

Web designs and Responsive pages :

- Creative web developer skilled in designing responsive websites using Bootstrap. I have successfully developed landing pages inspired by industry leaders such as Apple and Xiaomi and other websites.
- My projects focus on delivering exceptional user experiences, characterized by intuitive layouts and seamless interactions across devices. I possess a strong understanding of modern web technologies and design principles, allowing me to create innovative solutions that cater to diverse client requirements.
